

DL-IT LIMITED COMPANY PRIVACY POLICY

OUR COMMITMENT TO PRIVACY

Your privacy is important to us. To better protect your privacy we provide this notice explaining our information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on every pages of our website.

THE INFORMATION WE COLLECT AND THE WAY WE USE INFORMATION

DL-IT Limited Company collects certain information from and about its users three ways: directly from our Web Server logs, the user, and with Cookies.

Web Server Logs

When you visit our Website, we may track information to administer the site and analyze its usage. Examples of information we may track include:

- Your Internet protocol address.
- The kind of browser or computer you use.
- Number of links you click within the site.
- State or country from which you accessed the site.
- Date and time of your visit.
- Name of your Internet service provider.
- Web page you linked to our site from.
- Pages you viewed on the site.

We also use third-party services, such as Google Analytics, to collect and analyze such information.

Use of Cookies

We may use cookies to personalize or enhance your user experience. A cookie is a small text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a Web Server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. For example, if you personalize a web page, or navigate within a site, a cookie helps the site to recall your specific information on subsequent visits. Hence, this simplifies the process of delivering relevant content and eases site navigation by providing and saving your preferences and login information as well as providing personalized functionality.

We reserve the right to share aggregated site statistics with partner companies, but we do not share any personally identifiable information. We may allow third-party cookies from analytics services, such as Google Analytics.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies. If you reject cookies by changing your browser settings then be aware that this may disable some of the functionality on our Website.

Personal Information Provided By Users

Visitors to our website can register to purchase services. When you register, we will request some personal information such as name, address, email, telephone number or facsimile number, account number and other relevant information. If you are purchasing a service, we will request financial information. Any financial information we collect is used only to bill you for the services you purchased. If you purchase by credit card, this information may be forwarded to your credit card provider. For other types of registrations, we will ask for the relevant information. You may also be asked to disclose personal information to us so that we can provide assistance and information to you. For example, such data may be warranted in order to provide online technical support and troubleshooting.

All financial information, such as credit card numbers, is communicated via encrypted (SSL) connections. We do not store credit card information on our servers.

We will not disclose personally identifiable information we collect from you to third parties without your permission except to the extent necessary including:

- To fulfill your service requests for services
- To protect ourselves from liability
- To respond to legal process or comply with law
- In connection with a merger, acquisition, or liquidation of the company

We use the information you provide about yourself to provide services. We do not share this information with outside parties except to the extent necessary to complete your request for our services. DL-IT Limited Company reserves the right to reveal this information pursuant to a valid subpoena or court order.

We use return email addresses to answer the email we receive for tech support, customer service, tell-a-friend, email updates. Such addresses are not used for any other purpose and are not shared with outside parties. We will never share your email address or other contact information with other companies, except to enable fulfillment of specific requests you have made.

Finally, we never use or share the personally identifiable information provided to us online, via phone, or in person, in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

OUR COMMITMENT TO DATA SECURITY

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online and offline.

All online credit card transactions are performed only on secure servers through a secure SSL connection and comply with the latest standards in the industry. All billing information, including credit cards information, are deleted upon termination of the project with the client.

THIRD-PARTY WEBSITES

This website may provide links to third-party websites. Any such links are provided solely as a convenience to you. DL-IT Limited Company has no control over these websites or their content and does not assume any responsibility or liability for these websites. DL-IT Limited Company does not endorse or make any representations about these websites, or any information, materials, or products found thereon. If you access any of the third-party websites linked on this Web site, you do so at your own risk.

HOW YOU CAN ACCESS OR CORRECT YOUR INFORMATION

At any time, you may later review or update the personal information we have collected online from you by contacting us via our contact form.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.
